Other Important Information

The property owner must sign the Timber Harvest Permit Application Form or write and sign a letter to signify that he/she has reviewed the application and is in agreement with its contents. By signing the permit application or letter, the property owner also consents to the Code Enforcement Officer (CEO) entering the premises for inspection purposes. The property owner further consents that the CEO may seek inspection assistance from any persons deemed necessary, including but not limited to the Canandaigua Lake Watershed Manager, Canandaigua Lake Watershed Inspector, and a representative from the Ontario County Soil and Water Conservation District and/or licensed engineer.

It shall be the property owner's responsibility to secure all other permits that may be required. The property owner, agent and logger will all be jointly responsible under this local law.

A basic timber harvest shall not begin sooner than five (5) business days after the application receipt date to allow for notification to highway superintendents, adjacent owners, and agencies.

A full timber harvest the town will have ten (10) business days after application receipt to determine if the full application is complete and issue a permit.
