Liability & Worker's Compensation Insurance attached \_\_\_\_\_

### Notice to Property Owner and Installer

Permanent fencing is required for all in ground and above ground pools that are not 48 inches above grade. The permanent fencing must be completed and all entries to the area must meet NYS Building Codes prior to the issuance of a Certificate of Compliance and the use of the pool. If applicant is not installing the fence, a copy of the fence installer contract must be provided. Fencing must be installed within 30 days of completion of pool.
